

The Breeder's Cup Classes is for Yearling Stallions & Mares - Miniature Horses - Under & Over and Shetland Ponies... both Classic and Modern . The Breeder's Cup is a Showcase for Breeders to show off their up and coming youngsters and own horse's progeny. It will not be limited to just members in the hopes of drawing more entries and supporting the dual (Miniature and Pony) type shows. So we are obtaining sponsors to make the payouts worthwhile and enticing to exhibitors. In other words depending on how many sponsors are obtained... first place could win \$300-\$400 dollars. We are off to a great sponsorship start.

First Place Mini's and Ponies will compete together for the title of Elite Breeder's Cup Champion. Payouts for the classes are from our sponsors' donations and the majority of the entry fees. Gold Vision Farm is donating a glass engraving for the Champion award. Neck ribbons and other donations including the engraving will be awarded for the Elite win.
